

GRIET

Established in 1997, GRIET represents a rich tradition of excellence in technology-based education. GRIET is an autonomous Engineering College affiliated to JNTUH and approved by AICTE. The college is situated in a serene and tranquil environment surrounded by lush green beautiful landscapes. GRIET is accredited by NBA and NAAC with 'A++' grade. For its outstanding contribution in the field of Engineering and Technology, the college has been recognized as SIRO by DSIR, in tandem for improving the standards of Engineering education the college has been placed 179 by NIRF in engineering stream.

Department of Humanities and Sciences

The Department of Humanities and Sciences offers English, Mathematics, Physics and Chemistry. The faculty of English plays a key role in developing and nurturing the language and communication skills of engineering students regularly so that they can face the challenges of real world with ease and comfort.

ICMED 2022

ICMED 22 is the conference of Mechanical Engineering department of GRIET. It is a jewel of GRIET and the brainchild of all the Conferences held at GRIET. Though it organizes technical conferences on regular basis, doesn't just focus on technical events alone, but even guides, motivates and assists even Department of H&S in organising conferences. It's a privilege and pride to be part of such a mega body, and hope to organise more bigger events in the upcoming days.
